*Georgian Yacht Club*

December 2020

## Commodore's Report

We will soon be done with 2020, and not only am I'm looking forward to 2021, but to celebrating our 75th anniversary of the Georgian Yacht Club! Here's hoping things get back to some kind of normal so that we can start planning the celebrations.

Thanks to everyone for their patience with the high water levels this year and sorry to the few who experienced wet feet getting on and off their dock. Water levels seem to be receding and I can assure you the Board and Planning Committee will be focused on coming up with a plan to hit the ground running in the spring to remedy our troubled docks.

Negotiations with the city are still ongoing for site plan approval to build the Southwest washroom, and hopefully we can get going on that project in the spring.

Rogers is finally supposed to install our Internet service, something many of the members have been looking forward to.

Landscape clean up and improvements around
